Charity no. 1147713, Company no. 7918567, a limited company registered in England & Wales

**Sunday 17th March 2019**

## What's happening this Sunday?

Our meeting leader is: **Simeon Chapman**

Our speaker is: **Graham Coyle**

Our worship leader is: **Ashley Vickers**

Our hospitality team leaders are: **Chris and Adele Rimell**

On security is: **Phil Moore**

Junior Church and WorldChangers are meeting today (Junior Church in 040, WorldChangers in 078)

Crèche facilities are available (in the hall and in 031)

## Welcome to our Sunday morning gathering

We hope that you will enjoy the morning, and you are invited to stay on afterwards, for refreshments, and the opportunity to meet people, and have the chance to chat, after the “formal” part of the morning is over.

Our meetings tend to be informal, and the leader will seek to make room for the spontaneous - testimony, prayer, etc., from the congregation. We are charismatic in our worship and believe in the dynamic presence of God by his Holy Spirit.

We also generally offer a full programme on a Sunday morning for children up to school year 8, along with crèche facilities for parents/carers with younger children. WorldChangers and Junior Church go out for their own time part-way through the morning, at around 11am.

If you would like prayer for anything that may be concerning you, please speak to one of the leaders, or anyone with a badge.

*There is a hearing loop system in the middle of the hall.*

*Toilets are situated upstairs on the first floor - turn right at the top of the stairs. There is also a disabled toilet on the ground floor. Go along the main corridor and turn left.*

For where two or three are gathered together  
in my name, I am there among them.”

Matthew 18:20

*If you have any questions, or are unsure about anything during the course of the morning, please ask one of the Welcome Team, who are here to help you. If you would like to know more about City Church life in general, do pick up a “Who are City Church?” leaflet, and fill out a contact form at the visitors’ table, so we can get in touch with you.*

**PHOTOGRAPHS:** Please be aware that there may be photographs taken on Sunday mornings and at other church events, for use in church publicity and on the website. If you don’t want you or your children to be photographed, and haven’t already done so, please let us know. Thanks.

## Regular church events include:

*Creative Toddlers, Toddler Group, Youth, Friday Friendship, Blanquettes Missional Community, 18-39s Group and Connection.*

*To find out more about any of these, please ask one of the welcome team, or contact the church office.*

### SIX ACTS OF SCRIPTURE

Friday 29<sup>th</sup> – Sunday 31<sup>st</sup> March 2019

There are different ways of looking at the story contained in the bible. One that has become popular is to think of it as a story in six acts. We will be looking at each of these across this weekend, with the help of Alastair Cutteridge.

Sessions will run over the whole weekend so if you can make them all that would be great. However, if you can only make one or two sessions they will stand alone and we will be recording them.

Friday night will start promptly at 7:30pm. On Saturday we will begin at 9am for refreshments, and finish at 3:30pm. Drinks will be provided throughout the day – please bring packed lunch. There is no charge but we will take up an offering. On Sunday we will complete the sessions during our normal morning gathering, 10.15am at CWLC.

For more information, please visit: <https://citychurchworc.churchsuite.co.uk/events/0hgj92y> . If you have any questions, please speak to Graham Coyle.

### CPO PRAYER

This month, we are particularly praying for Jill Pogmore. Jill is serving God in Uganda, where she is based at New Hope, and is responsible for sponsorship for the children there.

### TRUTH IN SCIENCE AND CHRISTIAN LIFE

Tuesday 19th March

Drs. Kim Stansfield and Stephen May

8pm at Lindisfarne House

Today the concept of truth is increasingly under attack. But what do we mean by truth? Dr Stansfield and Dr May will present a view as a scientist who follows Christ, and as a theologian who loves science.

Dr. Stansfield will critique the reductionist analytical approach to scientific method proposed by Rene Descartes and widely used as a scientific and physical engineering approach to truth. He will indicate that many limitations have emerged in using this approach in analysing complex situations. A Christian view focuses on understanding the complexity of life its underlying truths in terms of our relationship to a loving, creator God.

Dr. May will argue that, contrary to many discussions which oppose science to faith, science and theology share a common methodology and a commitment to objective truth that requires taking into account the knowing subject. He will examine the Biblical understanding of truth as being not only about knowing but being and doing, its creative and dynamic nature, and source in God himself.

For more information, visit our website, [www.bibleandscienceworchester.org.uk](http://www.bibleandscienceworchester.org.uk).

**ALL WELCOME - Coffee and Cake**

Visit our website at [www.citychurchworc.org.uk](http://www.citychurchworc.org.uk) to find out more about us, and download previous talks, etc.

The office is open on Mondays, Tuesdays and Wednesdays from 10am - 3pm, and on Thursdays from 10 am - 12 noon.
